Mr. Bruce Davis encouraged MICMS to work with the Marco Island Academy Charter High School on three projects: Holiday float for street parade; Fundraising Social in February; Data Base project.

Board members were in general agreement a Street Parade Float would not work as a collaborative project.

Board members were split regarding a collaborative fundraiser.

Some viewed a joint fundraiser with the Academy similar to the Carnival project with the YMCA. (CC; JY)

Others were uncomfortable with the idea. (JT; LM)

The official board position of "neutrality" regarding the charter high school was discussed briefly. Board members were divided on this issue as well.

Bill H will follow up with Mr. Davis to get more detail on the data base project.

NEW BUSINESS

CC Mentioned Three Items:

- Safety - Students on sidewalk (along main driveway) during car-rider times.
Driveway along school entrance is narrow at the turn, and congestion of vehicles and students (walking and riding bikes) is a potential problem. There would be little reaction time if a student fell off the curb.
GA - Supervision has been increased this year with an adult at the entrance and by the bike racks.

GA will look into options for adding a fence or barrier.

Students will be reminded to walk their bikes on and off property, which has been the policy.

- Sports Fields – Pets on sports fields (as per Roger Raymond) may require postings asking for owners to pick up waste; or “no pets allowed”, depending upon policy.

Liability with off-hours use of property. “No Trespassing” signs may be necessary for police to control late night loitering. GA will check with student resource officer to verify if signs are needed.

- Sprinklers - Request for timers to be scheduled so sprinklers are not on during pick up and drop off times. Also requested sprinkler heads be checked and redirected, as some zones have water directed into the parking lot.

GA will check into it. He thinks the City controls the timers.

ADJOURNMENT

Motion by JY to adjourn. Second by Bill H. Motion passed unanimously.
