

## Marco Island Charter Middle School Board of Director Expectations

**The School Board periodically seeks qualified candidates willing to serve a three year term as a volunteer on the School Board of the Marco Island Charter Middle School. School Board members establish school policies and lend their expertise to securing the financial future of the school. The Board may be launching a multi-million dollar Endowment Campaign to secure the financial future of the school; so, qualified candidates should be able and willing to further this objective.**

**Some attributes that a successful school board candidate should possess are:**

**The time to attend Board meetings, perhaps six per year, and serve on committees, as needed.**

**A willingness to contribute and/or work for the success of an Endowment Campaign and the School's other ongoing fundraising efforts.**

**The ability to secure funding for the School by making introductions to individuals of financial means who would consider donating to the School's Endowment Campaign and other fundraisers.**

**When openings occur, the Board will consider applicants who have completed and submitted an application. Should the Board select you for the School Board, your appointment will be contingent upon you getting fingerprinted and passing a background check rendering you eligible to sit on a public school governing board. The fingerprinting must be done at CCPS's MLK Administration Center located at 5775 Osceola Trail, Naples. The last step would be to complete a 4-hour online Governance Training course, followed by a 2-hour refresher course every 2 years.**

**If you are interested, please start the process by completing the application on the reverse side and have the application and a resume on file at our school.**

**For Additional Information, Please Call Mr. Abounader at 377-3200.**

**Application Form is on the Reverse side**
